Germany's largest community for international students

DeGiS at a glance

DeGiS stands for "Deutsche Gesellschaft internationaler Studierender" which translated to English means "German Association of international students". DeGiS connects all international students in Germany and bringing a myriad of advantages along for its members, counting to 15.000+ already.

Free membership

DeGiS benefits

The membership comes with a myriad of advantages

Private community for events & workshops, connecting a unique network of like-minded international people in Germany to enjoy the new home & find new friends!

Exclusive network for mentoring & career, getting access to great job opportunities at international companies to plan the student's future & lift the full potential!

International Student Summit Berlin, a major event for international students in Berlin taking place in November 2020 bringing together an impactful variety!

Scholarships & other grants available, allowing students to concentrate on the studies & providing global gatherings & an exclusive alumni network!

Membership fee waived – free insurance package added

The DeGiS membership is usually €120 p.a., but **waived life-long** if signed-up until 31.12.2020.

Optional: DeGiS has negotiated a first-year free insurance package for all its members, worth €117, which includes a private liability and valuable item insurance covered by ONE Insurance.¹
